TOURIST-ORIENTED DIRECTIONAL SIGNS (TODS)

TODS assemblies may only be installed within public right of way maintained by the Virginia Department of Transportation and will be excluded from any cities and towns of 5,000 or more population, Arlington County and Henrico County. The Virginia Department of Transportation will not acquire rights of way or easements, or otherwise enter into agreements for the purposes of installing TODS assemblies.

TODS – Category I

A facility will be eligible to participate as a TODS – Category I if it is open to the general public, if a substantial portion of its products or services are of significant interest to tourists, if it derives its major portion of income or visitors during the normal business season from road users not residing in the area of the facility [defined as within fifteen (15) miles], if the facility falls within one of the Acceptable TODS Sites and if it meets the following criteria:

1. Shall be located within fifteen (15) miles of the intersection of a non-limited access state primary system highway where the initial TODS panel is to be located at the nearest primary intersection along the selected route.
2. Shall have the name of the facility prominently displayed on the premises in such a manner that it is readily visible to motorists from the public highway on which the business is located.
3. Shall be open a minimum of 6 hours a day, 5 days a week during the normal season of operation for this type of business (generally 12 weeks), except this requirement shall not apply to certain facilities such as arenas, auditoriums, civic centers, farmers markets, flea markets and drive-in theaters.
4. Wineries, breweries, distilleries and cideries shall offer tours of the production process during the posted hours of operation.
5. Shall be licensed and approved by the appropriate state and/or local agencies regulating the particular type of business or activity.
6. CAMPING businesses shall meet Specific Travel Service (LOGO) Program criteria to be eligible for participation.
7. Comply with all applicable laws concerning the provision of public accommodations without regard to age, race, religion, color, sex, national origin, or accessibility by the physically handicapped.
8. Agree to abide by all rules, regulations, policies, procedures and criteria associated with the program.
9. Agree that in any cases of dispute or other disagreement with the rules, regulations, policies, procedures and criteria or applications of the program, the decision of the State Traffic Engineer shall be final and binding.

See Integration of Winery Signing Program (Appendix B) for additional criteria and considerations regarding wineries.

TODS – Category II

In addition to the facilities listed as Acceptable TODS Sites, Gas, Food and Lodging establishments may participate in the TODS Program as a TODS - Category II site provided they meet all of the TODS - Category I criteria with the exceptions to the criteria noted below:

1. Shall be located within three (3) miles of the intersection of a non-limited access state primary or secondary system highway where the initial TODS panel is to be located.
2. Shall meet the Specific Travel Services (Logo) Signing Program - Category II criteria (page 4) for their respective type of facility, and agree to be bumped in accordance with the Bumping Policy for a Category II facility.

A facility independently meeting all of the qualifications for a Gas service under the TODS Category II criteria, that also offers Electric Vehicle (EV) Charging / Alternative Fuel stations as approved by the Department of Mines, Minerals, and Energy (DMME), may display the appropriate VDOT and FHWA approved generic symbol for EV, CNG, LPG, E85 etc. fueling stations (See Appendix C).

SUPPLEMENTAL GUIDE SIGNS

General Criteria

1. Supplemental Guide Signs shall be limited to two (2) structures per interchange or intersection per direction with no more than two (2) destinations per sign structure except as noted in General Criteria #2. When there is excessive demand over available space for new supplemental guide signing, VDOT, in consultation with the effected jurisdiction, shall determine which facilities will be listed on the signs.
2. All Supplemental Guide Signs in place as of September 15, 2004 will be “grandfathered” into the Program and may be repaired or replaced as necessary, except if the facility closes, relocates, or fails to comply with the criteria under which it originally qualified, the signs will be removed.
3. To qualify for Supplemental Guide Signing, a facility shall:
 - a) Be open to the general public, on a continuous basis, either year-round or during the normal operating season for the type of facility. Closings for the observance of official state holidays are allowed.
 - b) Comply with all applicable laws concerning the provision of public accommodations without regard to age, race, religion, color, sex, national origin, or accessibility by the physically handicapped.
 - c) Agree to abide by all rules, regulations, policies, procedures and criteria associated with the program.
 - d) Agree that in any cases of dispute or other disagreement with the rules, regulations, policies, procedures and criteria or applications of the program, the decision of the State Traffic Engineer shall be final and binding.
4. All facilities shall be located within fifteen (15) miles of the initial Supplemental Guide Sign.

&
TOURIST-ORIENTED DIRECTIONAL SIGNS (TODS)**

BUMPING POLICY

“Bumping” or the removal of a business from the Virginia Logo or TODS program for another business of the same service is only allowed within the services of GAS, FOOD, and LODGING.

A CATEGORY I business located within one (1) mile of the interchange or intersection as measured for inclusion in the Logo Program cannot be “bumped” from the Program and will remain in the Program as long as it continues to remain fully qualified, provides the necessary service to the motorist, and satisfies the contracted financial obligation to the Program.

A CATEGORY I business located outside of one (1) mile of the interchange or intersection as measured for inclusion in the Logo Program can be “bumped” from the Program at the conclusion of its contract period if a request is made by another business of the same service which satisfies all of the CATEGORY I requirements for the service and is located more than 1/2 mile closer to the interchange or intersection as measured for inclusion in the Logo Program.

A business meeting only the CATEGORY II criteria can be removed from the Program if a request for participation is made by another businesses that satisfies all of the CATEGORY I requirements for the service. The CATEGORY II business will be allowed to satisfy the CATEGORY I requirements before being removed from the Program if the participating business is located closer to the interchange or intersection or is situated such that the business would not be removed from the Program if the business met the CATEGORY I qualifications.

A CATEGORY II business located within one (1) mile of the intersection as measured for inclusion in the Virginia Logo or TODS program cannot be “bumped” from the Program by another CATEGORY II business provided it continues to satisfy the CATEGORY II requirements for the service, provides the necessary service to the motorist, and satisfies the contracted financial obligation to the Program.

A CATEGORY II business located outside of one (1) mile of the intersection as measured for inclusion in the Virginia Logo or TODS program can be “bumped” from the Program at the conclusion of its contract period if a request is made by another business of the same service which satisfies all of the CATEGORY II requirements for the service and is located more than 1/2 mile closer to the interchange or intersection as measured for inclusion in the Virginia Logo or TODS program.

GAS Category I – two (2) spaces will be reserved for facilities open 24 hour per day, 7 days per week and meets the remaining Gas Category I requirements. Other gas participants may use these spaces, if there are not sufficient 24/7 operations to fill the spaces. A 24/7 operation can bump any operation that is not 24/7 unless there are already two (2) – 24/7 participants. 24/7 participants using the two (2) reserved spaces are required to identify in their logo that they are open 24/7.

Bumping Policy Summary

Summary:

Only for Gas, Food, and Lodging

Category I

No “bumping” if within 1 mile of the interchange or intersection

Can be “bumped” by another CATEGORY I business if located over 1 mile from the interchange or intersection and if net gain by the “bump” is 1/2 mile or greater

Category II

Can be “bumped”...

By CATEGORY I if cannot meet CATEGORY I requirements

By CATEGORY I if can meet CATEGORY I requirements, but over 1 mile and net gain 1/2 mile or greater

By CATEGORY II if located over 1 mile from the interchange or intersection and if net gain by the “bump” is 1/2 mile or greater

Appendix A SPECIAL PROGRAMS

General Criteria

Specific Special Programs signing may be installed on any limited access, primary or secondary facility under the authority of the Virginia Department of Transportation. VDOT may issue a land use permit to others to have the signs installed after the approval of the State Traffic Engineer that the sign is included in the special sign program. Limited access facility permits will need the approval of the Chief Engineer.

1. Civil War Trails

Civil War Trails program signs may be installed on interstate, primary and secondary facilities and may be installed as stand-alone structures or attached to existing sign structures. This program is exempt from the IDSP criteria and annual fee requirements. All costs associated with this program, including costs for the fabrication, installation, maintenance, and replacement of these signs, shall be the responsibility of the requesting entity.

2. Virginia Department of Game and Inland Fisheries Birding and Wildlife Trails

The Birding and Wildlife Trail programs established by the Department of Game and Inland Fisheries may be installed on interstate, primary and secondary facilities and may be installed as stand-alone structures or attached to existing sign structures. This program is exempt from the IDSP criteria and annual fee requirements. All costs associated with this program, including costs for the fabrication, installation, maintenance, and replacement of these signs, shall be the responsibility of the requesting entity.

3. Community Wayfinding Signing Program

Development, design, installation and maintenance of Community Wayfinding Signs are the responsibility of the requesting entity (sponsor) as approved by and under Permit with VDOT, in accordance with the procedures outlined in the VDOT Community Wayfinding Sign Manual. A facility may select to participate in either the IDSP or a Wayfinding system, but not both at the same intersection. Requesting entities (sponsors) shall coordinate with the VDOT IDSP Manager and the IDSP Contractor in order to identify any facility currently participating in the IDSP that should be removed due to participation in a Wayfinding system.

4. Virginia Waterways Signing Program

Virginia Waterways Signing Program signs may be installed on interstate, primary and secondary facilities. All costs associated with this program, including costs for the fabrication, maintenance, installation and replacement of these signs, shall be the responsibility of the requesting entity.

5. Virginia Scenic River Program

Scenic River signs, as approved by the Department of Conservation and Recreation (DCR), may be installed on interstate, primary and secondary facilities. All costs associated with this program, including costs for the fabrication, maintenance, installation and replacement of these signs, shall be the responsibility of the requesting entity.

6. Historical Marker Program

Historical Markers may be installed on primary and secondary facilities. All costs associated with fabrication, shipping and installation shall be the responsibility of the requesting entity.

Appendix B

INTEGRATION OF WINERY SIGNING PROGRAM

Existing Signs:

- 1) All existing Supplemental guide signing for wineries (in place as of September 15, 2004) will remain in place.
- 2) To retain an existing Supplemental guide sign, a winery must continue to meet the existing winery program hours of operation requirements (open 6 hours per day, 5 days per week, at least 12 consecutive weeks per year).
- 3) When an existing Supplemental guide sign is damaged, or needs to be replaced, the replacement sign may be a Supplemental guide sign or a TODS sign.
- 4) Supplemental guide signing for wineries will be charged an annual fee equal to the standard fee for a TODS mainline sign for each set of up to 5 signs.

New Signs:

- 1) All new winery signs installed on non-limited access highways will be standard TODS signs. Entities requesting such signs will be required to pay the standard fees for participation in the TODS program.
- 2) In order to be eligible for TODS signing, wineries will be required to meet the standard TODS hours of operation requirements (6 hours per day, 5 days per week for at least 12 consecutive weeks each year).
- 3) Wineries will be eligible for LOGO signs (attractions category) on limited access highways. To be eligible for LOGO signs, a winery will be required to meet the standard hours of operation requirements (open 6 hours per day, 5 days per week) and to pay the standard annual fee for the LOGO program.
- 4) Wineries will have the option to display the “grape cluster” logo (in color) on TODS or LOGO signs, upon request.

Wine Trail:

- 1) A wine trail shall consist of a group of three or more wineries that have declared their intention to be a wine trail and published joint marketing materials. To participate in either the TODS or LOGO program, each winery on a wine trail must meet the hours of operation and licensing requirements for that program. The driving distance between one winery and the next wine trail facility shall not be greater than fifteen (15) miles.
- 2) To be eligible for participation in the TODS program, the first and last facilities on a wine trail must be located within fifteen (15) miles of the intersection of a non-controlled access state primary or secondary system highway where the initial TODS panel is to be located.
- 3) To be eligible for participation in the LOGO program, the facility at one terminus of the wine trail must be located within fifteen (15) miles of the interchange. The facility at the other terminus must be eligible for either TODS or LOGO signing.

Appendix C

EV CHARGING / ALTERNATIVE FUELS STATION CERTIFICATION

A facility wishing to display EV Charging / Alternative Fuels GMSS messages shall meet the following expectations to be certified by the Department of Mines, Minerals and Energy (DMME):

- 1) For EV Charging stations, have 2 or more DC Fast Charger (DCFC) EV charging stations with the appropriate universal plug J1772 COMBO and/or CHAdeMO
- 2) Parking spaces available for each charger or Alternative Fuel pump / dispenser
- 3) On premise signing visible from the road indicating EV Charging or the type of Alternative Fuel station that is available at that location
- 4) Adequate lighting for each charging station or Alternative Fuel pump / dispenser to ensure a safe environment
- 5) Info clearly posted on EV Charger / Alternative Fuel pump / dispenser or on a kiosk for area tire repair services
- 6) DMME may have additional minimum requirements for certification

Appendix D DEFINITIONS

Agribusiness

An establishment that sells agricultural products grown or produced in Virginia. An example is a Farm Market. For a Farm Market to participate in the Logo Program under the Attractions service, it must be open year-round or seasonally and be located on an individual farm dedicated to selling fresh locally produced products. At least 50% of sales must be from Virginia grown and produced products.

Bed and Breakfast

Any establishment (i) having no more than fifteen bedrooms; (ii) offering to the public, for compensation, transitory lodging or sleeping accommodations; and (iii) offering at least one cooked meal per day, which may but need not be breakfast, to each person to whom overnight lodging is provided. The facility shall have an on premises sign describing it as a “Bed and Breakfast” and shall clearly describe itself as a “Bed and Breakfast” in all marketing materials.

Brewery

An establishment licensed by the Virginia Department of Alcoholic Beverage Control that produces malt liquors and offering tours of the production facility.

Cidery

An establishment licensed by the Virginia Department of Alcoholic Beverage Control that distills alcoholic beverages and offering tours of the production facility.

Colleges, Universities and Educational Institutions

The main campus shall be interpreted as all that contiguous real estate and improvements owned and operated by the educational institution, housing the administrative, educational and other programs of the institution. An educational institution may have more than one main campus located within the state provided each facility meets the above description and the facilities are not closer than 50 miles to each other. The distance limitation shall not apply to campuses of the Virginia Community College System. Satellite facilities shall be all educational or other facilities associated with the institution located within 25 miles of the limits of the main campus.

In general application, a main campus should give the visitor the clear impression that they have entered a campus setting. Facilities sharing space in commercial centers, office parks, industrial centers and similar settings shall not be considered main campuses, however may constitute satellite facilities if meeting the description above.

Virginia Educational Institution: For-profit educational institution with its main campus located in Virginia that (i) has, for at least five (5) consecutive years awarded academic degrees approved by the State Council of Higher Education; (ii) offers programs in workforce training or job readiness that contribute to Virginia’s economic growth and development; and (iii) has combined annual enrollment of at least one thousand (1,000) at its main campus and any branch location situated within a radius of twenty-five (25) miles from the main campus.

Distillery

An establishment licensed by the Virginia Department of Alcoholic Beverage Control that distills alcoholic beverages and offering tours of the production facility.

Drive-In Theaters

A facility with a permanent outdoor screen where a minimum of 75 parking spaces are available for guests to view the screen from their automobiles. The facility shall have public restrooms available, a concession stand open during their normal hours of operation, and show major motion pictures, as defined by the Motion Picture Association of America, at least two (2) nights per week for a minimum of twelve (12) weeks a year. Drive-In Theaters are exempt from the minimum hours of operation typically required.

Emergency Medical Facility

A licensed facility providing continuous emergency medical care to the general public. The facility shall have a licensed medical doctor on duty 24 hours/day, 365 days/year.

Equestrian Center

A facility, marketing itself as an “equestrian center”, dedicated to the public education and recreational enjoyment of horses through a variety of features such as riding lessons, training facilities and clinics.

Farm Market
